

Hi All,

It's been a busy few days getting back in the swing of things. Cushman staff and students have been very welcoming! The energy and excitement for learning - plus the sun has been shining - has made for an easy return to school life.

This form of digital communication is new to me so it may take a week or two to figure out all the bells and whistles of the program - photos and attachments, etc. But I am hoping for some training next week. Fingers crossed.

We are filling our Candy Monster with donated candy for the Trunk or Treat. All candy will be shipped down to DeMello School in advance of the Trunk or Treat scheduled for Thursday, October 26th from 6:00-7:30 in the DeMello School parking lot. In addition to the 'treats' the PTO will be offering Pizza & Refreshments for sale as well as contests for Best Decorated Trunk and Costume. Here is a 'PEEK' at next week -
