

Dartmouth Pride Bricks

The Dartmouth Pride Bricks program started a few years ago, and due to a number of reasons, the program was stopped. The GOOD news is – the Dartmouth Athletic Hall of Fame Committee is starting the program back up again. The committee members wanted to do something that would be available for the entire community. The Town of Dartmouth has a rich tradition within their schools, athletic programs, extracurricular activities – like their nationally recognized band, and with the community members. Giving the past students, present students, retirees, employers in the area, and anyone else that love Dartmouth the opportunity to place a “Brick” in the ground for all to see, is a great way to give back to a wonderful town.

If anyone is interested in ordering a Dartmouth Pride Brick, all you have to do is fill out a form and submit it to the Athletic Department at Dartmouth High School, 555 Bakerville Road, South Dartmouth, MA 02748. The Brick cost is \$50.00 and you can order as many bricks as you would like. Applications can be obtained at any of the elementary schools, middle school or the high school.

Orders are being taken now throughout the coming year, with the instillation date of next spring. The goal is to have them in the ground before the graduation for the 2024 students. There are over 100 bricks in the ground now. Please stop by and see what can be done. They are on the left side as you enter the high school.

If you have any questions, please call the Athletic Office at (508) 961-2716.
