

# 2024 Winter Science Academy

Center for the Advancement of STEM Education at Bridgewater State University

The Center for the Advancement of STEM Education at Bridgewater State University is excited to offer a Winter Science Academy. Participating middle school students attend the *Forensics Institute of Bridgewater (FIB)*, an exciting hands-on class in which students act as crime scene analysts. Working with Senior Scientists, students learn how to collect and analyze fingerprints from a simulated crime scene, perform blood type analysis, and get closer to solving the mystery using DNA fingerprinting.

**Dates & Times:** February 20–23, 2024 (Tuesday-Friday), 8:30 AM–2:30 PM

**Location:** Dana Mohler-Faria Science and Mathematics Center, Bridgewater State University

**Program Fee:** \$300

***This program is designed for students currently in grades 6–8.***

Limited scholarships are available to students who demonstrate significant financial need and academic merit.

**For session descriptions and additional information including discounts and scholarships, please visit the [Science Academy Website](#).**
